Kolten, life will have many ups  
and downs. All you can do is  
keep trying to be the best you  
possible. You are a beautiful  
man inside & out. Live your  
life to the fullest, never give

## KADEN ROBINSON

We are so proud of the brave, kind-hearted young man you are.  
Watching you grow up into a leader has been inspiring. Your  
willingness to help others will serve you well in whatever you  
choose to do in life. Dream big and go for it.

We love you.

Mom, Dad, Aubree & Cohen

Few parents are as proud of their son as we are of you. Since  
you were a little boy you have always been a leader who has  
followed his heart and had compassion for others. As a  
young man, you have been a role model on and off the field  
and court for the under classmen. They will remember the  
passion you had for the game and the determination to  
never give up. With your strong faith, you have chosen  
many times to not follow the crowd but take the path to  
reach your dreams and work to be the best you. Tucker,  
"There's something in you that the world needs." It's time  
for us to let you make your mark. We can't wait to stand  
back and see all that you accomplish.
