THE EAGLE

The Eagle

Midway Rural High School

Denton, Kansas

*Published by
the Annual Staff*

1963-1964

Editor

Paul Boos

Dedication

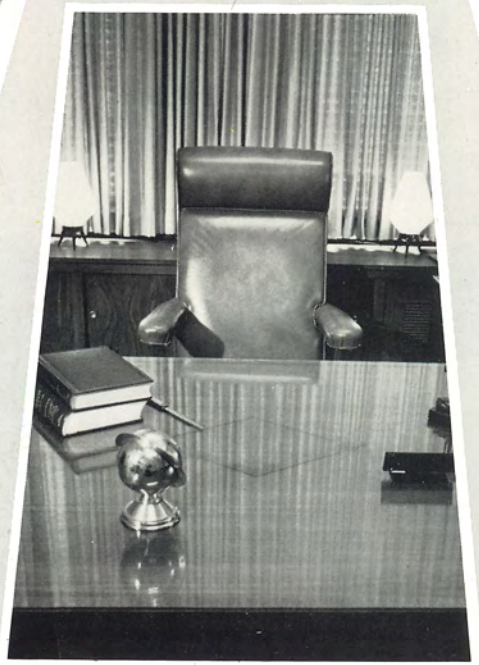

We, the annual staff of Midway Rural High School, wish to dedicate this 1963-64 edition of "The Eagle" to our faculty who have spent many long hours in order to better our education.

Through unlimited time and effort, the teachers have attempted to prepare each student for his position in life. This they have done by educating students in the fields of mathematics, English, science, commerce, and many others.

The teacher's job is confronted with many hardships and many hours of bewilderment, but these hardships are overcome by the rewarding feeling gained when a former student becomes a success in life. We, the students of Midway, wish to thank our faculty for forgetting these times of difficulty, and dwelling on those moments of happiness, always remembering that they are continuously helping new students up the road of success.

On behalf of the students of Midway, we, the Annual Staff of 1964, express our deepest appreciation to our faculty for their undying devotion to educate each and everyone of us.

Principal's Message

An annual serves as a record of the past accomplishments of the school and the students. It is a book of memories. The association with the students has been very pleasant. To you who are leaving, I extend a sincere wish that you succeed in your hopes and aspirations. We hope that you graduates have gained some experiences and help from attending Midway High School on your way to becoming a good, successful, well-adjusted American.

To you who have not finished your high school education, may our future associations be pleasant and profitable to you, the student body and faculty.

May the pages in this book continuously remind you of the many fine and wonderful experiences that have been yours and ours during these past few years.

Mr. Charles F. Short
Principal
