The Plot

Sylvia Barrett, the attractive new teacher, walks into the classroom and writes her name on the board. This is the moment for which she's worked so hard-her first day teaching. Then her moment is shattered. Students pour into her room-testing her. Right away there is a blizzard of work. Soon Sylvia is in trouble for she can't stop herself from trying to defend a hostile boy, Joe Ferone, on the verge of dropping out. In the last moments, Sylvia begins to understand. She decides to continue teaching. Joe Ferone decides to return to school after all. Sylvia appears to have won at least a few battles.

Up The Down Staircase

The Senior play was performed on the eighteenth and nineteenth of November. The Seniors collected a hundred dollars profit. The play was directed by Miss Debra Gray. The last night of performance the Seniors presented her with a necklace for her cooperation in helping present the play.

Little Nell

(The Prettiest Little Girl In The Valley)

"Little Nell" was a burlesque melodrama with "mortgage, tears, and everything." Carleton Bainbridge, the villain, and Hector Skyscraper, a young fellow with poor, but honest, parents, fought to win the hand of Nell, the prettiest little girl in the valley. Carleton fought for Nell's money while Hector fought for her love. Nell's mother admired Carleton because of his charm and quick wit but hated Hector because he was poor. Finally Nell had a decision to make. Who would she marry? But as burlesque melodramas go, Nell chooses Hector Skyscraper, the young fellow with poor, but honest, parents and they live happily ever after.

Impromptu Cast

 Stage Manager Floyd Cross

Four actors sit on a darkened stage, awaiting the arrival of the stage manager. Lacking his presence they are merely characters in search of a play to become part of. They are "types" and each of them has absorbed most of what he is from what he pretends to be on stage. The stage lights come up and still no one has come to tell them what to do. Suddenly they become aware of the audience and they decide to improvise. The drama which unfolds is a mixture of truth, fantasy, and well-rehearsed situations, but out of it, in subtle progression, comes deepening awareness of the real people behind the theatrical facades.

"Impromptu" received a one rating in the K-36 League play festival at Midway. The play also won one ratings at the District at Ottawa University in Ottawa, Kansas, and at State at KSU in Manhattan, Kansas.

Janet Norris and David Elder won the awards for best actress and best supporting actor in the K-36 League.

ORGANIZATIONS

Pages 59-86

Student Council

Student Council this year was composed of eighteen members, including representatives from the classes and homerooms and officers elected in the spring. The purpose of Student Council is to develop good citizenship, promote harmonious relations, assist in the direction of school activities, and help each student find a place in the total school program. These goals were achieved by the Council this year with the aid of their sponsor, Mrs. Carol Mix.

The money raising projects, which helped finance the yearly activities of the Council, were the pop machines and the sale of Trojan license plates.

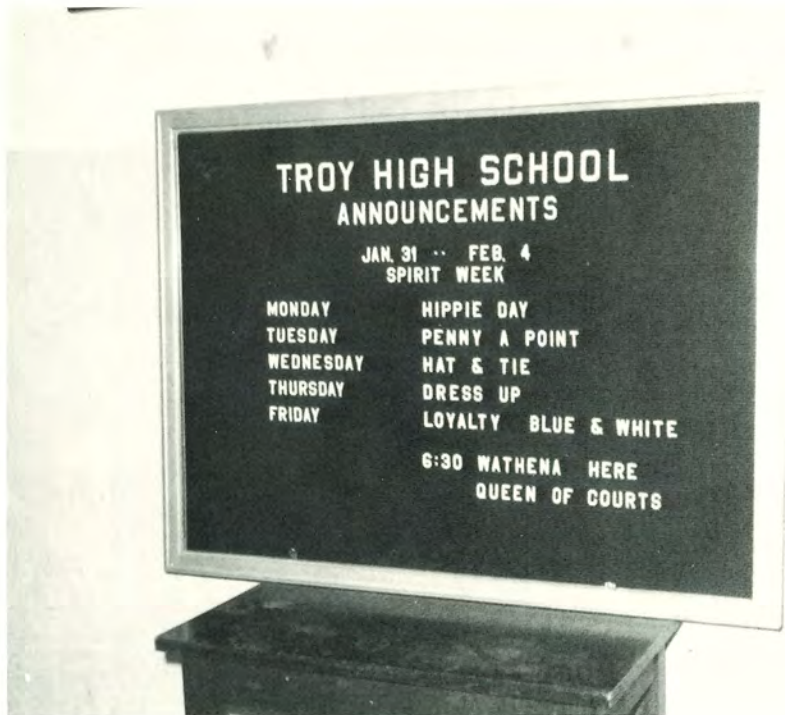

As service projects, Stuco painted trash cans to be placed around the football field to reduce litter, painted the Trojan head over the bleachers on the football field, purchased and donated to the school an announcement board, built a bulletin board for the students to post their activities on, sponsored a musical assembly in the spring, and operated the pop machines for the students use. Other projects include the CROP walk, Spirit Week, Homecoming ceremonies, sponsoring the band for the Snoball dance, and conducting the elections for Homecoming Queen, Queen of Courts, and Apple Blossom candidate.

The following pictures include a few of the year's activities: Page 60--positions 1. Group. 2. Debbie Whittaker, President, fills the pop machine. 3. A-Team Cheerleaders

The 1971-'72 Varsity Cheerleaders were a unique squad. All five girls worked together to promote a school spirit far above the expected level. It is a rare squad, indeed, that maintains such enthusiasm through the losses, as well as the wins.

A portion of the tribute paid to Troy's fine athletic department this year, must go to these five girls. Their work and dedication to their jobs were equally important in each Trojan victory.

The following pictures show those five girls in action: Positions 1. A and B Team cheerleaders boast another touchdown. 2. Group. 3. Kay Grable, head cheerleader, is a very active cheerleader. 4. Pam Hull and Georgette Rogerson encourage the Pep Club to cheer. 5. Barbara Huss cheers for another basket.

Pep Club

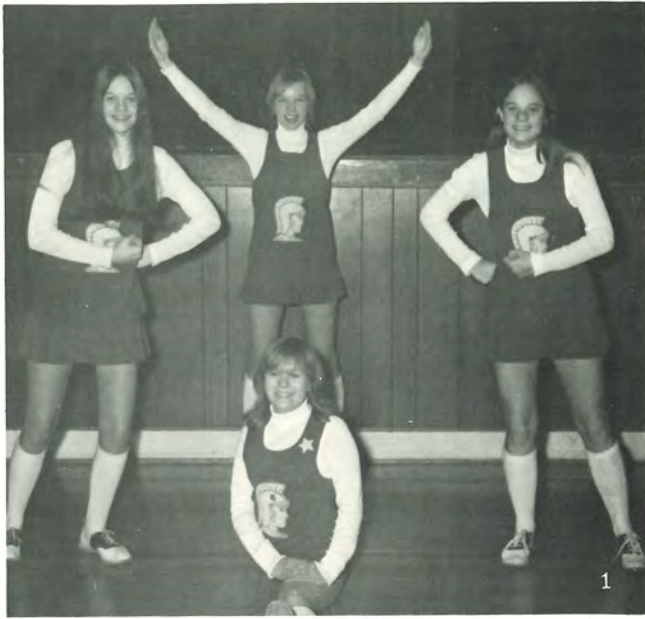

The nights were cold, but the Pep Club and sponsor, Miss Debra Gray, were always on time to cheer the players on. This year the Pep Club sponsored the bonfire, snake dance and Queen of Courts.

The Highland Bluestreaks were burned in effigy to boost the spirit before homecoming. Following tradition, a snake dance began at the high school and proceeded to Main Street.

To finance its activities, the Pep Club sold wool pep mums and Italian style gourmet pepper.

The Junior High Pep Club with its forty-five members and Mrs. Joy Dombrowe, Sponsor, did much to encourage our teams this year. Under the leadership of head cheerleader, Mary Sanderson, the cheerleaders--Ginny Jo Whitsell, Debra Reder, Gail Luedke and Debbie Adams--with the Pep Club urged the teams on to many victories.

The Pep Club was present at all football and basketball games at home and away. The "spirit stick", given to the girl showing the most sportsmanlike enthusiasm at the previous game, encouraged the members to participate ardently.

B-Team cheerleaders--Linda Barnthson, Jane Turpin, Sharon Rutherford, Terri Winkel and Becky Beaty--led the Pep Club at B-Team games and the girls' basketball games.

CONFERENCE

On January 19, the Troy Kayettes hosted the 1972 Unit Conference. Two hundred forty Kayettes attended from Atchison, Easton, Highland, Powhattan, Jefferson County North, and Troy.

Miss Wanda May Vinson, State Kayette Advisor was the guest speaker. She used the theme "Right On" to express how she felt Kayettes could help make this a better world.

The following pictures of the Conference cover the day's activities. Page 68 positions 1. Kayettes ready for Conference. 2. A smile greets the Kayettes. 3. Girls register and receive name tags. 4. This year the Kayettes collected for the Cerebral Palsy Fund, Meals for Millions, and the Heart Fund. On Kayette Sunday members attended the Zion United Methodist Church. The Regional Kayette Conference was held at Sabetha, with six girls from T. H. S. attending. A fall cookout was held for the new members of Kayettes at the home of Mrs. Carol Mix, Sponsor. As service projects, the Kayettes provided decorations and gifts for nursing homes, and music in the halls at Christmas time. A folding bed, to be used by the Kayettes, was donated to the school. Special programs were presented to the club throughout the year. The largest activity of the year was the Unit Conference, hosted by the T. H. S. Kayettes under the direction of their president, Pamela Hull, and sponsor, Mrs. Carol Mix.

As an annual money raising project, the club sold Christmas trees in uptown Troy. The boys also sold sack lunches at the Kayette Unit Conference held at Troy, January 19.

Trojan Staff

The annual Staff attended a yearbook conference at Atchison High School in October where they learned to make layouts and received ideas on photography. American Yearbook Company, who sponsored the Conference, is the company that is publishing the 1972 TROJAN.

This year's annual has ads in it for the first time. Other innovations are the color pages, a cover designed by the staff, and original division pages.

Since it was the responsibility of the staff to finance the yearbook this year, the price was raised to five dollars a book and 200 books were sold. Also a charge of ten dollars was collected from each organization, and ads were collected from the businesses in Troy and the surrounding area. The Snowball Dance was sponsored by the annual staff to finance the purchase of a new mamiya/sekor 500TL camera.

ADMINISTRATION

Pages 87-94

My teaching career began 39 years ago when I received my B. S. from KSC Pittsburg, Kansas. After receiving my M. S. from Tulsa University, Tulsa, Oklahoma, I continued teaching until the present day.

I feel our school has made dramatic improvements the past two years. Our students have pride in our school and have a keen desire to help build and improve it.

It has been a pleasure for me and our faculty to work and share in this enthusiasm.

Dale M. Kessinger

Principal

Most of my entire life has been devoted to education. Except for the pre-school years and time out to serve in the military during World War II, I have either been attending school or teaching school. I have had the privilege of working with thousands of fine students during this span of years. I am happy to now be associated with the Troy School System and with everybody working together with a sincere desire, I feel we can move forward and improve our school system.

Most of our needs are commonly known. Now we have to find a way to accomplish these needs. Whatever we decide to do, I am sure it will call for some financial sacrifice on the part of the district patrons. On the other hand, it is generally believed that a method will be found of financing schools that will relieve the property tax somewhat.

The development of good schools should receive top priority in any community, as education is the one thing that will keep this country great. Not all hard work is opportunity, but all opportunity is hard work. May we all do our part in causing a good school to become better.

At this time, I would like to thank Mrs. Sourk for sponsoring the Annual Staff. We appreciate the time and effort she has put into the yearbook. Also, I would like to thank my assistant editor, Shirley Whittaker, and all others on the staff who, through their extra effort, have made it possible to capture the year of 1971-1972 in this yearbook.

It has been a year to remember for the Troy Trojans. We had an undefeated football season which gave us the K-36 League Championship. Also, Troy received a one rating at District, Regional, and State for its one-act play "Impromptu". Another highlight of the year was the Kayette Conference which was held here at Troy.

All of these, and many more made life very interesting for the students at T. H. S. It is our sincere hope that in this yearbook, we have captured most of the precious moments of this year, which are now gone forever.

Debbie Whittaker
