All the way to Hays

It was quite an anxious year for the Trojan football crowd. From Friday night games to traveling hours away, the Trojan fans proudly drove 272 miles to Hays, Kansas for state football. The weather was a perfect 52 degrees. Upon arriving, they tailgated before the game having hot dogs, hamburgers, and a few chats about their prediction of the game. The town of Troy had the biggest crowd they'd ever seen when the Trojans made it to state with a perfect season of 13-0.

Approximately 500 fans attended. When other teams came close to beating Troy, the crowd never lost hope for our small little school. The supportive PTO and parents provided snacks for the team before the game. On the picture to the left, Lindsay Norris holds up a sign quoting "Small Town, Big Dream!" The fans made every football game seem like a home game.

Seniors live it up in the Lonestar State

This year for their last trip as a class, the seniors took to the streets in Dallas, Texas, leaving at 3 a.m. on Saturday, May 6th and returning Wednesday, May 10th at 10:30 p.m. On the way down they made a pit stop to the zoo in Oklahoma City. When they reached Dallas they adventured to the streets and walk sight seeing. They also took on the crazy rides at Six Flags. Braden Hansen said, "Senior trip was a lot of fun! It was great to spend time with all my classmates one last time." In the picture to the right, the seniors are posing for a group picture.

Class of 2017

Graduation was held May 14 in the C.W. Oliver Gymnasium. The graduating seniors received their diplomas, gave roses to family, and heard the speeches of their three valedictorians before greeting all the attendees in a receiving line outside the high school. It was an excellent and joyous close to their four years at Troy High school.

Three Valedictorians

"I'm nowhere near the smartest kid in my class, not even close. But I tried in school... that's all it took for me to succeed. You don't have to be some sort of genius to succeed in school. It doesn't hurt to put in effort. It's not cool to slack off; it's not cool to be in trouble all the time..."

- Cutter Huss

"The rungs we have created over high school will always hold special memories to us. As the ladder of high school ends, the ladder of college begins and the one of life continues."

- Connor McNorton

"We all know that we have had some of the best days and some of the worst days of our lives here in these four walls, but there is one thing that remains the most important and that is being the person *you* want to be... You must be yourself and do what you want to do, and if you aren't like the others, it's perfectly fine!"

Seniors Bailey Schofield and Lauren Hill spent their time this year learning a great deal about livestock and farming in Animal Science class. Here they are pictured dissecting a fetal pig. Many of Troy High School's graduates will go on to use many of the knowledge and skills they have gained through the many classes they have had, agricultural and otherwise.

Clubs do the most.

Clubs went above and beyond with many activities. Drama club excelled with their first ever production of the musical *The Beauty and the Beast* in the spring.

FFA also participated in many activities. They held their annual breakfast and dinner banquets and blood drives. They also competed in multiple cattle judging shows and took a trip to Manhattan, Kansas for the weekend for a few different competitions. A few members of FFA and Mr. Potroff drove to Ashland, Kansas to donate fencing for the farmers effected by the wildfires.

FBLA hosted the District II Conference for the second year in a row along with sophomore Sierra Christopher campaigning to become state FBLA officer. They continued with fundraisers such as the March of Dimes, the penny drive and collecting pop tabs for Ronald McDonald Playhouse House.

NHS continued to thrive with a new first year teacher. As a new service to the public they went and picked up trash off of 195th road. They took down the Christmas decorations off of the gazebo for the public and hosted a successful blood drive with 27 donations.

Future Business Leaders of America

FBLA had a Great Year

FBLA had a very busy year with holding the District II Conference at Troy, to attending the State Leadership Conference and boosting membership. It started with the elections of officers. Chapter officers were President Sierra Christopher, Vice President

Dakota Sharp, Secretary Caitlin Johnson, and Treasurer Barbara Ernzen. FBLA numbers have increased by double this year compared to last year. Sierra Christopher ran for District II Vice-President. The office was previously held by Sierra Christopher.

Beauty and the Beast

The Music Department gets enchanted

Troy High school brought Beauty and the Beast to life in the first spring musical put on by the music teacher Matt Allison on February 24th and 25th.

The cast started rehearsing lines three months in advance because it was such a well

known play and hard musical to pull off.

"A lot of hard work went into the production by the students, cast, and crew. overall it was a huge success with a very young cast. I'm looking forward to years to come," said Allison.

The backstage crew was just as important as the cast in this musical because all of the behind scene duties.

On opening night the sign for the new Martha - Jean and Lyle Rocky auditorium was revealed.

T-Club

T-Club has high rankings this year

T-Club has had many exciting awards this past 2016-2017 school year. With the hard work of students and many parents, these awards nights were ones to remember.

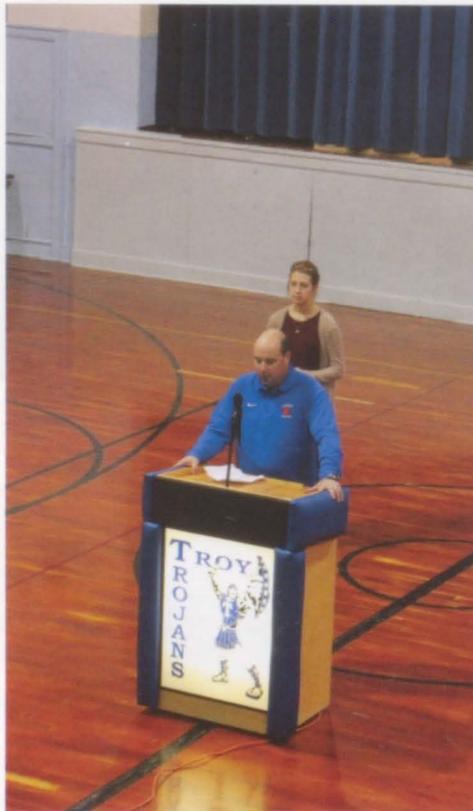

Winning state football against the Plainville Cardinals, making it far in basketball for girls and boys, and having a great group of FBLA officers to set up conferences at Troy are little things that keep T-Club alive.

Stuco

Stuco plays a huge role in decorating

Throughout the years at Troy High, stuco has decorated dances such as Homecoming and Queen of Courts. Stuco works majority of the school day on the Friday before the

dances on Saturday night. Balloons, streamers, ribbons, strobe lights, DJ's, and food doesn't go unnoticed! There are currently 9 members in Stuco.

Giving back to the community.

NHS has had a year full of community service projects. They started off by spending a Saturday morning cleaning up 195th highway, making sure the road stays beautiful. The second project of the year was brief, helping the community take down the Christmas

decorations at the gazebo. That was followed by the annual NHS Blood Drive, which collected 27 units of blood, and the annual Induction ceremony to welcome new members to the society. Students did a great deal to show their commitment to the Troy community.

Scholars Bowl & Speech

Small but mighty.

This year, Scholars' Bowl and Speech were lead by Mrs. Bunck. There were few participants, but those participants did well and enjoyed their time spent

learning study skills and having fun together. The year ended at the Awards Ceremony, when students were given certificates for their hard work.

Cheer and Dance gain new coaches

This 2016-2017 year of dance and cheer has made some changes, all of which include new cheers, dances, and coaches. From Missy Elliot and Go Big Blue, both teams have been working hard all year long. The new cheer coach is Michaela Little, from Rossville High School. "Even though I am a farm girl, I've always loved cheer ever since I was in junior high, so I stuck with it and became a coach!" says Michaela. She attends school at Highland Community College to become an Occupational Therapy Assistant. "Unfortunately, I won't be back next year, but I loved every moment I spent at Troy!" quotes Michaela.

Leighandra Hazlett, the dance coach has always traveled over the US for dance competitions. She danced with Giordano's Jazz Dance Company for three summers. Leighandra also instructs and choreographs classes for competitive dancers. "I'm currently studying criminal justice with an emphasis on pre-law. I hope to one day become a prosecuting attorney for special victims." Leighandra also states "I'm definitely a city girl, but I love Troy and the relationships I've build with the girls. My favorite memories would probably be watching the girls continue progress over the season and the late night lock in. There's no doubt in my mind that I'll be back at THS next year!"

Trojan's great season comes to an end

"I think we did well this year. It was a great season overall and awesome to win a league championship. It didn't end like we wanted but wouldn't have wanted to play with anyone else," said Senior Connor McNorton.

"It was a fun year playing but it didn't end like we all wanted it to," said Senior Kortin Blevins.

Trojans fall short in the second round of sub-state

The Trojans finished the season with a 19-3 record overall and a 12-0 TVL record. This was the fourth year in the Twin Valley League.

Dallas Keller, head coach, and Roger Purdy, assistant coach, coached the Trojans.

Caton Swartz and Camden Anderson were the managers.

The JV team finished the season with a 10-7 overall record.

Cuttar Huss was selected 2016-17 1st Team All-State, 1st Team All-TVL, and is a NEK All Star Game Participant. Wil Smith was selected HM All-State and 2nd Team All-TVL. Wyatt Huss was selected HM All-State and 1st Team All-TVL. Reid Greaser was selected HM All-State, 1st Team All-TVL, and a NEK All-Star Game Participant.

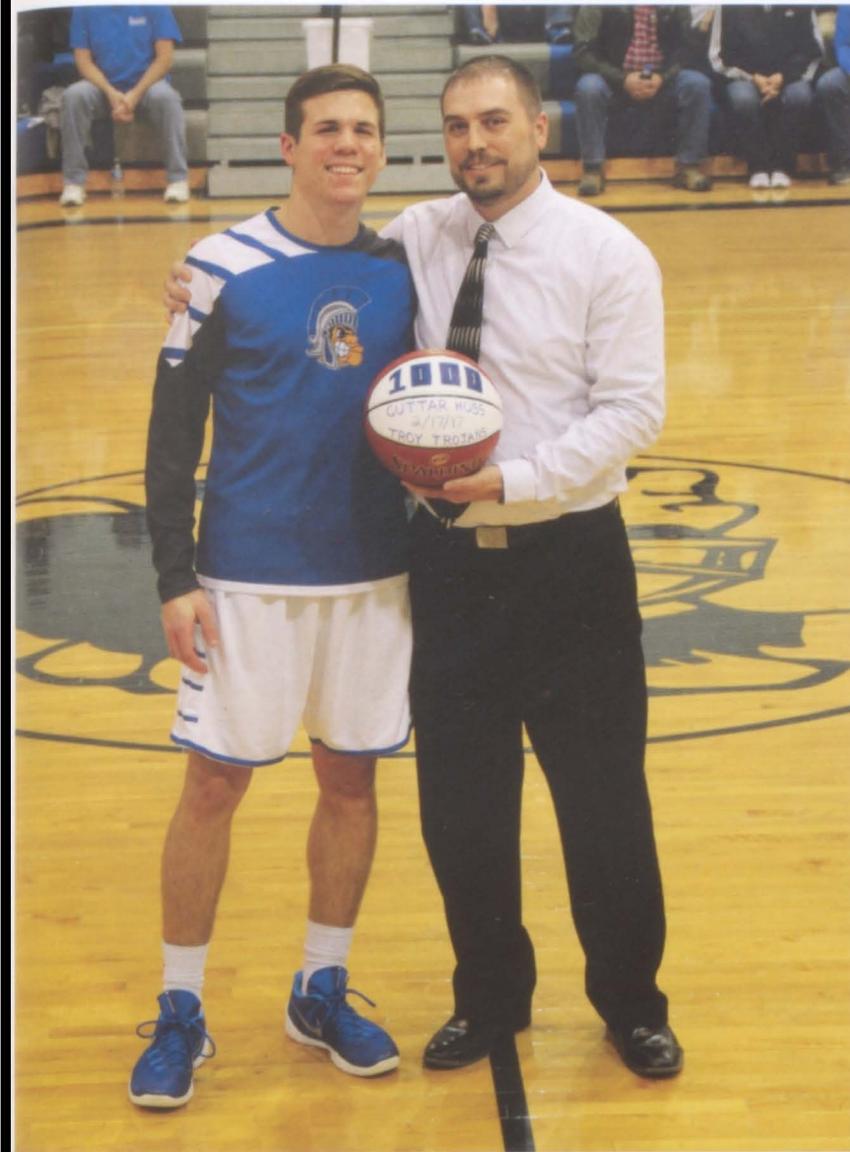

Keller said, "Awesome year with a sad ending. We played well all year. We tore up the TVL...running the gauntlet and winning it with a 13-0 record. We proved that we were the best of the best! We averaged over 70 points a game, had 4 of the top 13 in the league voting and dominating teams. I feel bad because we are losing a great group of seniors. Replacing 2 or 3 seniors is tough, but we have to replace 8 seniors who won 70 games in 4 years. Trojan Nation will be waiting a number of years to see a group of seniors like the class of 17."

Girls Basketball

"It didn't really turn out the way we wanted, but I still had fun playing with our seniors and wish we could've made it better for them!"- Morgan Masters

Lady Trojans Have a Tough Season

The Lady Trojans have a tough go around this year. The girls went 5-16 this season. The Trojans started off the season with a great win against our rivals the Doniphan West Mustangs, by a score of 45-39. For the next 10 games the Lady Trojans lost. They always hit a bump in the middle of the season, but this bump lasted a longer time than expected. If the girls would have come off the bus ready to play the games, they would have been more likely to win. When asked how he felt about the season coach Derek Jasper replied, "I was disappointed that we only won 5 games but I am proud of the attitude and fight our girls had clear through the last game." The girls kept their heads up the whole season and never played with disappointment. We always had supportive parents at every game to cheer the Lady Trojans on! Coach Jasper plans on working hard next year to improve individual offensive skills. The Lady Trojan basketball team is sad to see 4 great players leave but wish them the best of luck in the future.

Cross Country & Track

"I only went out for Cross Country for fun and to try something new. Little did I know, I would actually enjoy it after trying to quit about 10 times. It was a great season and many great memories were made with my team and coach," said Brittany Klaus.

The Cost of a Night Out

Prom is a fantastic night filled with fun and beauty, but sometimes people don't consider the time and cost that goes into it. According to Fortune.com, the average cost of prom per student in 2015 was a whopping \$919, which was down from previous years.

A small poll of students at THS estimate that men spent \$250 for prom, including a tuxedo rental, shoes, boutonniere, a car wash. Some men also spent money on their "promposal", one student spending as much as \$80.

Women at THS were estimated to spend around \$600 on prom this year, including dress, jewelry, hair, as well as other expenses such as tanning. Juniors Brylee Weidmer and Haley Horner also expressed how difficult it was to find a dress as such low prices, saying that most prom dresses in stores start at \$500. Hopefully for all that cost, the students have a good time in what is often considered an important rite of passage.

Many students participate in activities

Homecoming started with Spirit Week. Many students dressed up this year. Monday was hobo day, Tuesday was twin day, Wednesday was cowboys and outlaws, Thursday was throwback day, and Friday was blue and white day.

The Powder Puff football games were held on Wednesday with two student teams and one team made up of teachers. The seniors and freshmen won. On Thursday, there was a White Washing competition and the Booster Club Hotdog Feed. This was followed by a bonfire at

the 4H grounds. On Friday, the pep rally was held on Main Street. The theme for the Homecoming floats was "Come See the Show".

All candidates competed in a lip sync contest. Wyatt Huss and Andrea Stock was victorious with their song being "Party in the USA" by Miley Cyrus. Homecoming came to an end with the Trojans beating Washington County 20-6 and the dance was held on Saturday. Connor McNorton won King and Lexi Norris won Queen.

Andrea Stock and Tyler Franken were crowned.

Spirit week was another big part of Queen of Courts. Thursday and Friday were the two main days for dressing up. Thursday was dress up as a Fraternity guy or Sorority girl and Friday was Blue-and-White Day, where

the students could show their school colors.

The pep rally was also held Friday afternoon. The senior boys basketball players danced to a remix with the dance team, and all the candidates played multiple minute-to-win-it games.

The Queen of Courts dance was held the following evening, Saturday, February 11.

Student Spirit

Spirit on the rise at Troy High

Troy High School has been through some huge events this year, from doing little homecoming activities to going to state for both football and baseball.

Troy students and their spirit never gave up when participating in small homecoming activities and traveling four hours to state. Students never gave up on small town dreams and helped every way they could even if that was just showing their Trojan spirit.

Students always showed up to school with excitement and smiles on their faces

because it was game day. Even through the end students took school spirit and never gave up.

There were a wide range of activities this year, including many student vs. teacher games, as well as a homecoming parade and themed days. Some of the themes included Ugly Sweater Day, Favorite Teacher Day, and Blue and White Day. Students used every opportunity available to show their support of Troy High School, both for sports and for community engagement.

Prom gets magical

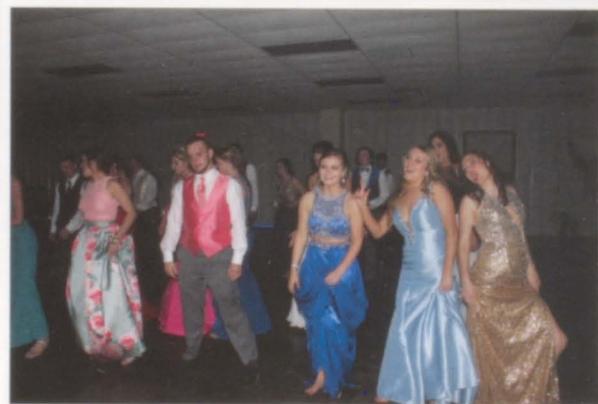

Welcome To The Mad Hatters Tea Party

Prom was held on Saturday, April 8. Friends and family took pictures with the prom attendants at the courthouse. Prom was at the Leonard L. Community Building. The meal was provided by Bill and Bea Koehler. The entrée consisted of roast beef, mashed potatoes and gravy, green beans, and a roll. For dessert there was jello cake, brownies, cheesecake, and scones.

After-Prom was held at the YMCA in St. Joseph. The students participated in many activities. Many competed in Minute To Win It and won many prizes like money and gift cards to different places. Other activities included a sketch artist, racquetball, huge hamster balls, and a photo booth. Food like pizza, nachos, cookies, chips, and drinks that was provided for the students.

Senior editors say goodbye...

As my time as being a yearbook editor comes to an end, I want to give thanks for the opportunity of being able to be in Publications throughout my the last three years of high school.

My advice to all younger students is do not take ANYTHING for granted. You can never gain back time. Also, do not procrastinate otherwise you end up putting more stress on yourself because you did not use your time wisely. Be friends with everyone, do all the activities you can, stay up late and make memories, go to school being comfortable in sweats, t shirt, and no makeup. Do not start any drama; nothing is worth making others mad. Lastly, be kind to everyone as they could be going through hard times but do not show it.

I wish all the seniors new and amazing experiences in their future as we will all be going in our own paths towards success.

-Brittany Klaus

My journey at Troy High School is coming to an end, although another one is just beginning. I have learned so much and I am grateful for that. The past four years have been full of good things and bad, but looking back, I realize it has shaped me into the person I am today. I am going to miss publications and competing in journalism contests. I will miss all of my teachers, friends, and classmates. As I move on to bigger and better things in life, I will always and forever be a Trojan. I want to wish my Class of 2017 good luck.

One more thing...

After the Memphis trip, the band presented Mr. Allison with a wrist watch.

Dakota Sharp (Fr.), listens to Mr. Rodvelt's notes in World History.

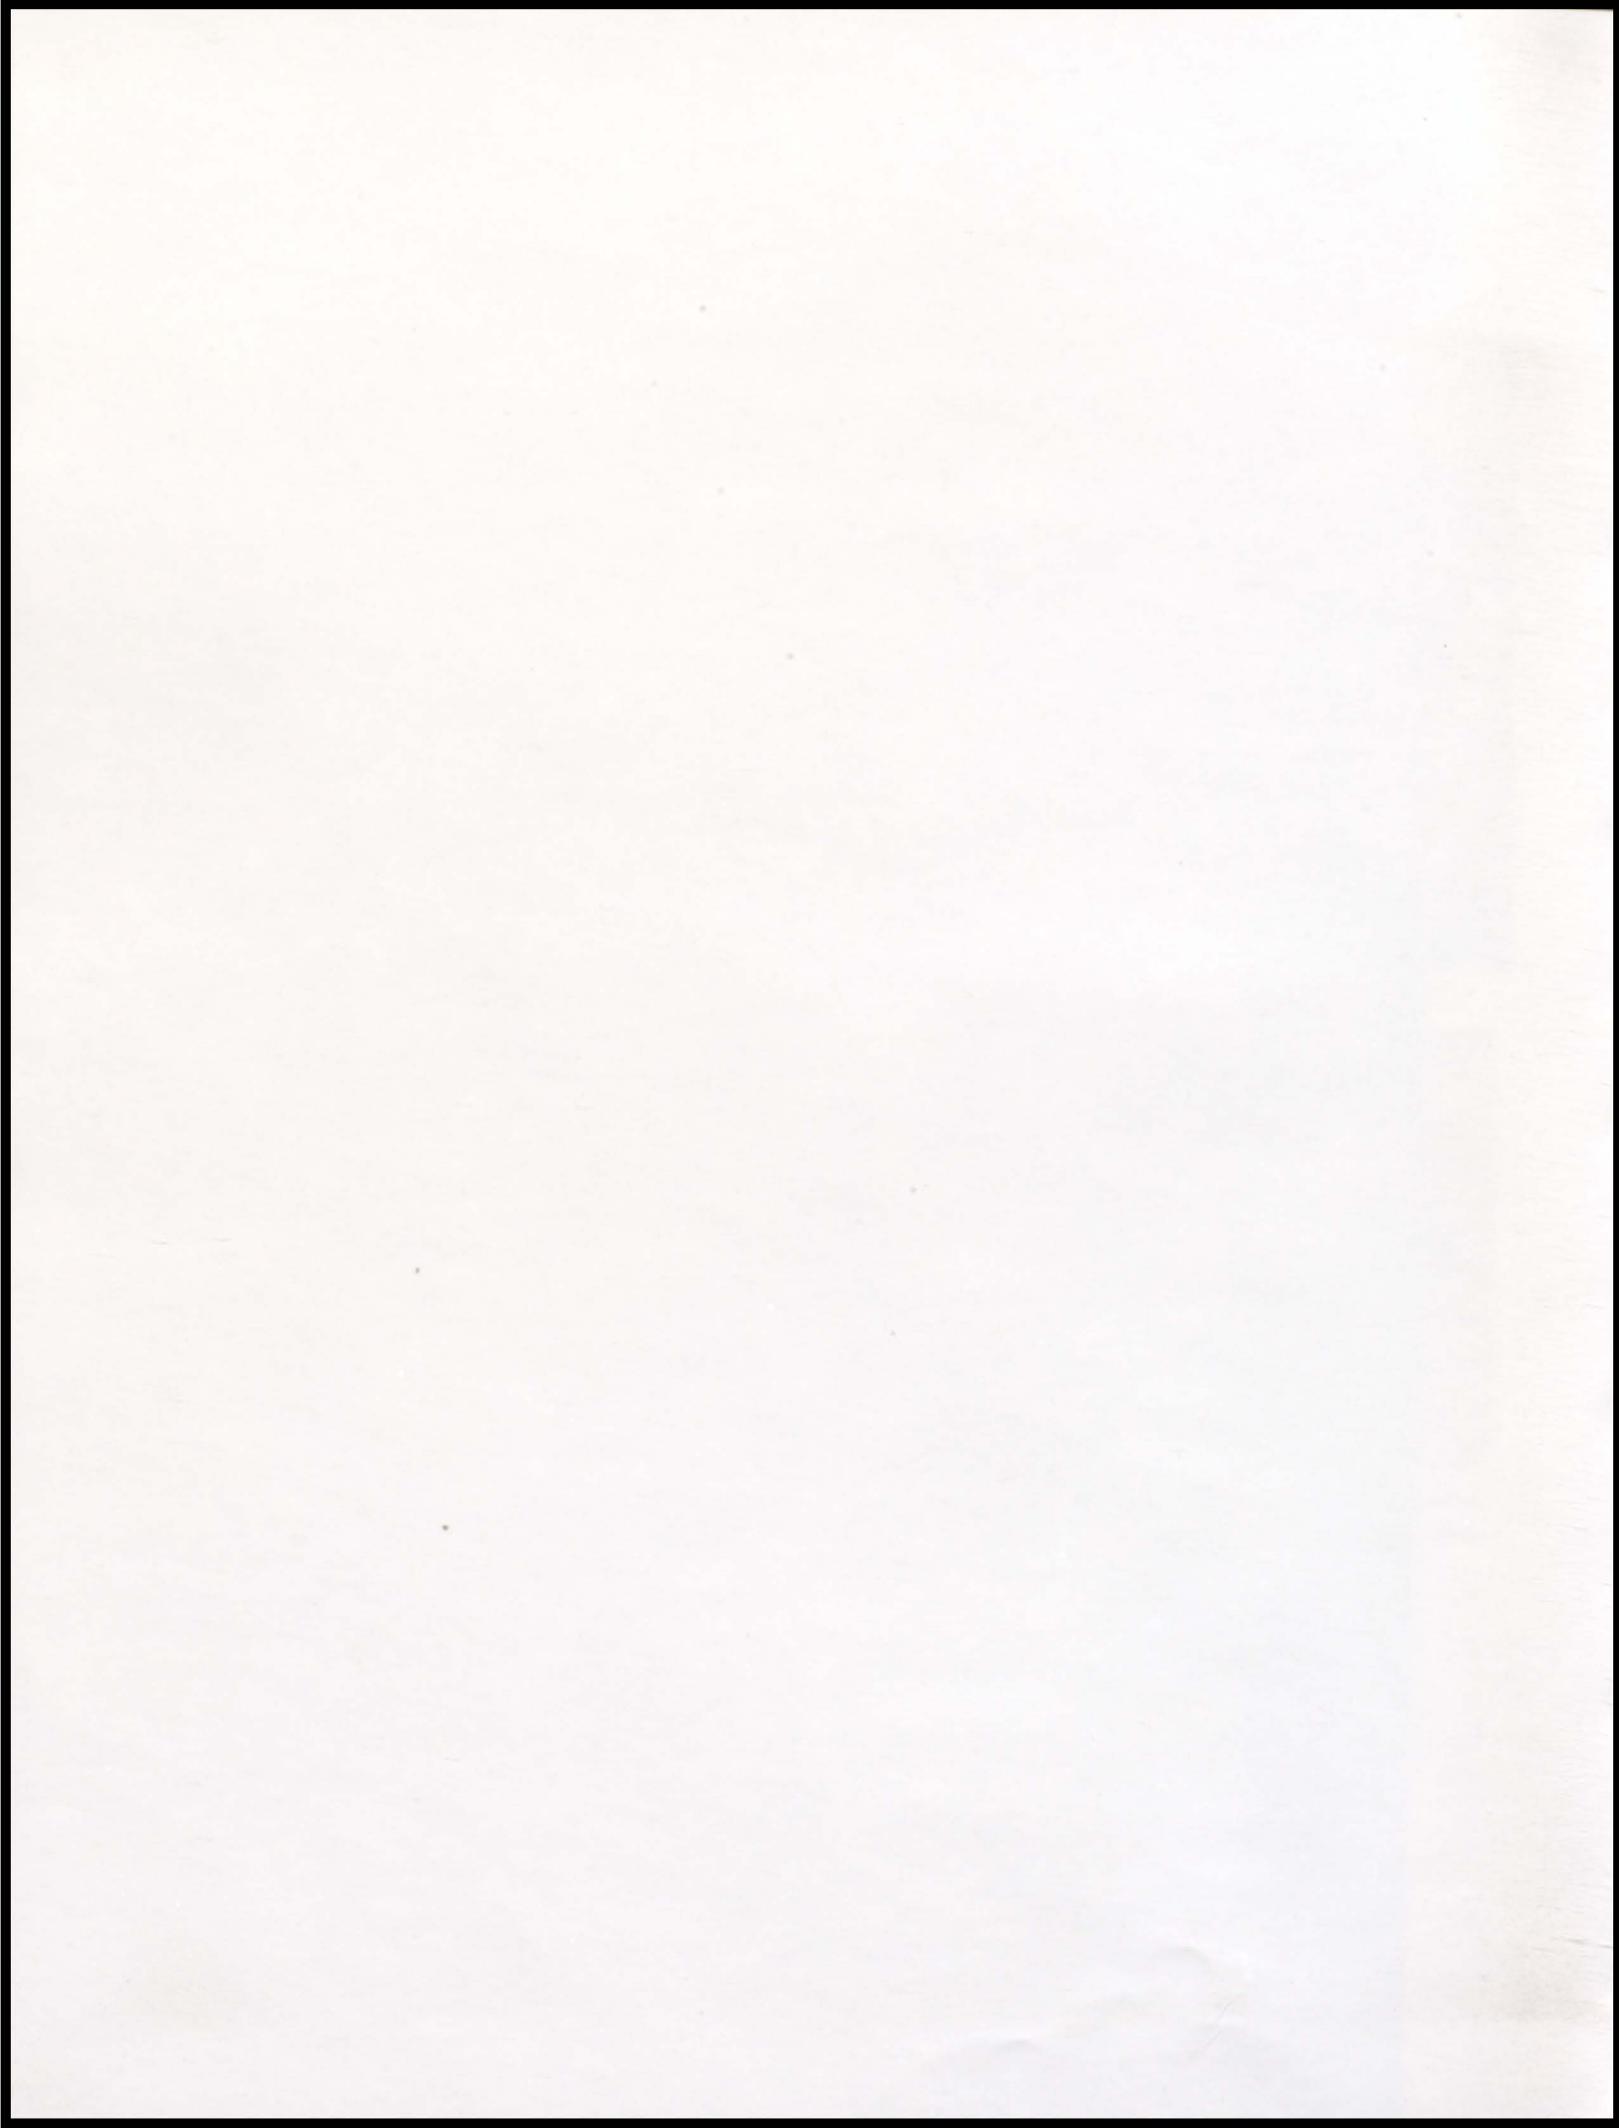

Kassidy Ashworth (Jr.), looks out for a fast pitch ball during a home game vs Riverside.

These pictures are just are just pictures. What really matters are the memories that happen. It can range from Mr. Prudden teaching a self defense class and hearing his videos down the hall, to Mr. Pottroff telling students how to weld two pieces of medal together and then showing their friends the end results. Memories and learning are what it all comes down to in the end.

Taking off (top) Newly graduated seniors, Brittany Klaus, Trey Jenkins, Tyler Franken, Connor McNorton, Kassi Meng, Alex Martinez, and Kolton Constant say thank you to their families and community after graduation.

These are the memories we'll have forever: times spent in practice, studying for tests, working on projects, enjoying each other's company. Years of sweat and hard work leading up to the moment that we leave home, that we set out on our own to have a new kind of adventure. These are the friends we've made and the times we've cried, both in sadness and in joy. These are the moments that made us who we are today. We will always be striving for better, but that is what we've always tried to do. For good or ill, this is who we are and who we were.
