Dear Archivist:

I am writing to inquire if Doniphan County has any records of marriages or divorces filed under the surname Akright in any time period? Marriages would be in either the groom or bride index. The spelling of the surname might vary, such as:

Arkwright, Akright, Eakright, Accrete, Achright, Arkaright, Ekright
Eckright, Artwright, Ackwright

If copies of marriages were filed in either index, would you please let me know how much it costs to obtain copies of these indexes and also how much it costs to obtain copies of the actual certificates and applications for marriage.

If your office does not handle individual requests, would you please direct me to someone that might be available to provide this service for me.

Thank You,

Saul Arkwright

Dear Saul,

I was unable to find any Akright's or the variations in our index to Doniphan County marriages. You might try contacting the Doniphan County Courthouse. They have all marriage records for Doniphan County including the current ones. Our index only goes up to 1912.

Good luck with your research.

Sincerely Yours,
