## The Bendena Wildcat

1958

Published By The Senior Class  
Of BENDENA HIGH SCHOOL  
Bendena, Kansas

We present to you a review of some  
of the highlights of forty years of Bendena  
High School activities and achievements.  
We hope this record will preserve for  
future moments, intimate memories of  
Bendena High from 1918-1958.

A black and white photograph featuring three lit candles in a silver candelabra, an open book, and a decorative label with the word "Dedication". The scene is set against a dark background with a shimmering, draped fabric. The candles are lit, and the book is open, showing text on its pages. The label is ornate and contains the word "Dedication" in a cursive font.
