Dear Students:

My message to you is expressed very well
in the following poem by an unknown author:

SUCCESS

It's doing your job the best you can,
And being just to your fellow man,
It's figuring how, and learning why,
And looking forward and thinking high,
And dreaming little, and doing much;
It's keeping always in closest touch
With what is finest in word and deed;
It's being clean and playing fair,
It's laughing lightly at Dame Despair,
And making better this good old earth,
It's serving and striving through strain and stress,
It's doing your noblest --- that's success.

Sincerely yours,

Roy Mitchell
