Editor Reflects on Year

As I look back over the school year, it has been a year to remember forever. Though we didn't rank first in all areas, we were FIRST in the hearts of all Trojans.

I would like to thank everyone on the staff and especially Mrs. Rockey. Without everyone working together, it would not have been possible to capture the 1976-1977 school year in this book. It is our hope that we have captured those precious moments of the year for those moments are now gone forever.

Band Marches in Parades

The THS marching band began the 1976-77 year at the Wathena Labor Day parade. Other fall activities the band participated in were the Missouri Western and Kansas State band days and the Hiawatha Halloween parade.

A Christmas Concert was presented December 13, 1976. The director at the time was Mr. Glen Cunningham.

The music department began the new year with a new teacher, Miss Mary Jean Schepers.

The concert band presented a pre-contest concert and a spring "Pops" concert. The band also attended the League Instrumental Clinic at Horton and State Music Contest at Mankato.

The band ended the year with "Pomp and Circumstances" at the 1977 Graduation.

FCA Huddle

The Troy FCA huddle sponsored by Coach Bill Foster and Coach Smith, consisted of 10 members.

The money-raising project was cutting and selling firewood, to send athletes to summer conferences.

Club Holds Hee-Haw Game

The THS Pep Club for the 1976-77 year was sponsored by Ms. Jan Severance.

The officers were President Janna Dittmore; Vice-President Paula Culp; Secretary Shelly Staudenmaier; Treasurer Debbie Winzer and Head Cheerleader Gail Luedke.

The money-raising project for the club was the selling of ice scrapers. The cheerleaders also sold Troy Trojan pencils to buy new pompoms.

The Homecoming activities, which included a snake dance through town, a bonfire at the fairgrounds and a dance that night after the game, were sponsored by the pep club.

The pep club sponsored also a donkey basketball game, which provided entertainment for many of the Troy and surrounding area residents, with bumps and bruises for the riders.

FFA Ends With Success

Mack Jarret, president of the Troy Chapter, led the group to an outstanding year. The Chapter was awarded the State Gold Emblem for the top 10% of Kansas. The activities the Chapter held this year were Barnwarming, Public Speaking, and the District Dairy Contest.

The main money-making projects for the 1976-77 year were the Citrus Fruit Sales and the Chicken Bar-B-Q Supper.

The FFA Judging teams had a very good year at both District and State Contests. They placed first in Meats, second in Parliamentary Procedure, and third in Poultry, Horticulture, and FFA Information.

These individuals who received special honors were Jim Neumann, State Farmer, and Mark Stock, District Secretary.

The Chapter advisor for the year was Mr. Lloyd Barnett and Mr. Steve Sears, student teacher.

Sam Brownback, National FFA Officer, was the guest speaker for the Banquet.

Kayettes Get It Together

A good year was started for the 1976-77 Kayettes with a slumber party at the high school for all members.

In the fall, Sponsor Babetta Israel and five girls attended the Kayette Regional Conference at Olathe.

The Kayettes sold candy bars for their money-making project and bought a Kansas flag to hang with the American flag they purchased last year for the C. W. Oliver Gymnasium.

In January the Kay-Kayette unit conference was held at Troy. Kays and Kayettes from surrounding schools attended the conference.

On April 29, a Kayette reunion was held. Kayettes from the past 10 years attended.

All members and their parents were invited to attend the installation banquet which ended the year for the Kayettes.

Activities

Pam Reigns as Queen

During pre-game ceremonies Pam Herpich was crowned Homecoming Queen of 1976 by head escort David Stock, on October 8. The other attendants and escorts were Gail Luedke and Bob Cummings, Mindy Larzelere and Mack Jarrett; Terri Winkel and William Whetstine; Cheryl Prawl and Steve Albers.

Crown and flower bearers were Tanya Greaser, Pam Smith, Israel Elder and Terry Scholz.

Mr. Lloyd Barnett was the announcer for the ceremony.

The queen was presented a dozen red roses, a Homecoming sash and charm. The attendants received a blue and white decorated mum.

Afterwards, students danced to the beat of Dry Ice in the setting of "Photographs and Memories." The Troy Pep Club sponsored the dance and furnished refreshments of cookies and punch.

The Troy Trojans were defeated by the Wathena Wildcats, 54 to 14.

As Mr. Smith breaks the news of moving to New York, the girls unite for action, which nearly lands them in jail. In a dramatic reversal, they finally win through to a solution that not only gets Father the better job in St. Louis, but also straightens out romantic complications.

Dian — 1976 Sweetheart

Dian Reisner was crowned the new Troy FFA Chapter Sweetheart for 1976-1977 by President Mack Jarrett, Wednesday, November 24, in the VoAg shop. First runner-up was Mary Huss and Patty Speaks was second.

The contestants were required to turn in a half-page essay on "Why I Want to Be FFA Sweetheart." Then came the contest, the real test for the eleven junior girls participating. The seven different events were to catch a greased pig, climb a greased rope, catch and tie a goat, throw a bale of hay, milk a cow into a pop bottle, hammer a nail in a block of oak and identify twenty-five different tools. Afterward, Mr. Barnett and last year's Sweetheart, Jackie Petersen, asked the girls questions, testing their general farm knowledge.

The other girls competing for the title were Denise Etherton, Debbie Duncan, Debbie Clary, Laura Johnson, Debbie Winzer, Nellie Hoverson, Paula Culp and Shelly Staudenmaier. They were escorted by Mack Jarrett, Bill Whetstine, John Zeltwanger, Mark Stock, Steve Franken, Mike Masters, Bernard Sutton, Bill Callahan, Alan Winkel, Joe Neumann and Dave Owens.

The judges for the events were Jerry Gardner, Jim Patton, Buddy Ross, Warren Grable Jr., Tom Smith and Ron Tuley.

C-C Harriers Rewarded

When attempting to evaluate an athletic season, coaches often get caught up in measuring and discussing certain aspects of sports, success and failure. Too often success and failure are determined in the evaluator's mind by plotting victory against defeat.

The 1976 Trojan harrier season was an enjoyable and rewarding time for the coach. New acquaintances were made and friendships were established and renewed.

Perhaps the best result of the 1976 season lies in the fact that the individual was given an opportunity to realize that what he will get out of athletics will be in direct proportion to what he is willing to put into it. In this sense, the people involved in the sport of cross country were presented with an opportunity for individual evaluation and growth. Running is fun, as well as rewarding.

Coach Foster

Trojan Football Improves

The Trojans ended the 1976 season with a very rewarding 5 and 4 record. I think this season truly characterized the Trojan Spirit. The Ball team was composed of many young players with little varsity experience, which under the leadership of seven seniors, came through a schedule that saw the Trojans play the League leaders: Highland, Wathena, Jackson Heights, in successive Friday nights. The tough schedule, which included two state play-off teams, coupled with many injuries to starting players, caused a shift in playing responsibility to younger players and players who had not seen action at a position other than the one they played the week before. Each week they came back to play to the best of their ability and finished with a fine season. It was meant that each of us be tested in life, but the sign of maturity is not always in the one who won or lost, but how each of us rebounds and grows from those tests for future challenges. The 1976 Trojans accepted and grew from those experiences of the 1976 football season.

The 1976 season was a year of ups and downs. Injuries played a big part of it, with our young players getting a great deal of experience. This year the defense did a great job of blending with the offense and putting on a great show. There were 16 returning seniors, 12 returning juniors, and 8 good returning sophomores. The years ahead should be some great ones for the Trojans.

REPORT PAGE 61

The 1976-77 basketball season was again a building year for the girls. Each year our winning percentage has increased, and with the experience gained this year, there is no reason why this trend should not continue.

This year has been a very enjoyable experience for me, and I feel the future will be much more rewarding.

- Coach Dennis Schuler

The girls worked hard to meet goals that I had set for them. One goal was to try and break all of their school records; they broke 10 out of 14. The other goal was to win 3rd place at league. They won 4th place.

I'm very proud of them and think they should be on the top next year.

Faculty

Programs

Progress Made at THS

One of the best years has been completed at Troy schools. An immense amount of work, accomplishment and school spirit was evident from students, teachers, parents and administrators. Long-range plans were formulated for year-long projects. Many students expressed positive attitudes in their daily work and activities. Continued support of this same spirit from Troy patrons was always a welcome supplement to every part of the school functions.

It would be fascinating to predict the outcome of education if all students could be exposed to all types of programs during their twelve or so years in public education. The reality is that no one organization can provide such a range. All educational units are certain to select priority programs which will best meet the needs of those it serves.

The schools that we work with are no exception. Our program priorities must be viewed, not with skepticism or personal bias, with prudent evaluation, projection, understanding and planning. Our school system has been fortunate to maintain various athletic contests, field trips and extra curricular activities, as well as other vital educational programs and curriculum. Future planning must indicate which programs will need to be changed.

Our dynamic school is a busy organization. Daily bulletins contained such key words as field trip, membership drive, sign-up, need your help, soap scrimmage, meeting, practice, committee chairman, FFA contest, students win honors, MEET ME IN ST. LOUIS, class pictures, pep assembly, victory last night, conference a success, play rehearsal, Trojans host tonight and donkey ballgame. Some of the activities and groups involved were Pep Club, classes, play production, annual staff, student council, Kayettes, government day, college interviews, publications class, parent-teacher conferences and land judging.

Each of our students and faculty members is to be commended for the progress that has been made in establishing a purposeful and consistent year. We have much to be proud of and build upon in the future.

Bud Pennington,
Superintendent

Dr. Bud Pennington, superintendent, and Mrs. Nell Larzelere, secretary, work on daily reports.

Dr. Pennington to Troy

The new superintendent for the Troy School system was Dr. Bud Pennington. Dr. Pennington was superintendent of schools at Brule, Nebraska, before coming to Troy. Dr. Pennington has started a series of new committees, including evaluation and curriculum committees.

Dr. Pennington holds a B.S. in Chemistry Education from Central State University; a Masters Degree in Secondary Supervision from Stephen F. Austin State University; and a Ph. D. in Administration and Supervision from Kansas University. From 1970 to 1973, Dr. Pennington was Assistant to the Dean at Kansas University. Dr. Pennington assumed superintendent duties July 1.

Dr. Pennington said, "Troy is small enough to be close knit, but large enough to have a variety of things to get interested in."

Beneficial Programs Built

Operating under a highly accountable budget, the district board has been able to retain constant forward motion in several programs. Beneficial programs such as vocational education, bus purchase, guidance and testing, Upward Bound Program, new speech therapy services, students teach, field trips, innovative English curriculum, curriculum update, evaluation and policy revisions, new tennis court construction and remodeling of selected high school rooms, gym floor resurfacing, administration of school grants for Title I, Title IV and Lunch Program equipment, and various activities have been built, revised and/or continued through the constant effort of many progress-minded students, teachers, staff, administrators, school board members and patrons who worked together toward effective first class education.

The direction and clarity of goals, programs and high standards from which all Troy students may benefit are consistently being improved. The following criteria are generally used for an occupation to be considered a profession: (1) it requires high skill and intellectual effect; (2) it requires extensive formal education; (3) it involves primarily the exchange of service or advice rather than the scale of goods for profits; (4) it has acquired traditions of group dignity and recognition by others. There is no question that public school teaching is a profession and professional faculty members abound at Troy's schools. Looking ahead, it can also be visualized that new programs and commitments will be necessary. Curriculum and staff development will be considered and improved.

THE BOARDING OF TRUSTEES

I may be a secretary, but I'm also a good coach.

Prin. Jess Gilstrap types daily bulletins.

Pres. R. Meng, Mr. G. Speaks, Mr. H. Rush, Dr. B. Pennington and Mr. N. Davies discuss school board items.

Principal Believes in Keeping Traditions

Mrs. Mariam Thomas, secretary, has another busy day.

Once again I want to thank the yearbook staff for the opportunity to record statements in THE TROJAN.

First, congratulations to those students and staff members who have spent long hours producing the 1977 yearbook.

Second, it is important to carry on traditions which inspire unity, enthusiasm, and productivity. That the staff has worked to bring excellence is a fact. I want to say thanks to the student body, certified and non-certified personnel who have worked together to produce this year's traditions. It has been the intention of many to encourage a positive approach in athletics, academics, and activities.

Also, may the education everyone has acquired through formal and informal training serve as a foundation to establish new goals and ambitions. As one educator put it: "All learning is an invitation." We hope the experiences each person has had in one year or four at Troy High School are invitations to greater benefits, greater challenges, and greater fulfillment. May each person listen to the invitations to become equipped for tomorrow's world.

Finally, I would like to wish each of you the best of luck as you continue the many endeavors that life and your school offer.

Jess Gilstrap,
Principal

School's Out

When school comes to an end, there are many things that must be done, from taking biology tests to cleaning out lockers and having pop breaks, as the pictures on these pages show.

Home Ec. I girls celebrate the end of school by having a cleaning party, and then a party with cake and punch.

Vo. Ag I students install a CB in the Vo. Ag pickup.

Custodians take a break during a hot spring afternoon.

Jim Weidmaier cleans out his locker.

Biology students take final examination over plants.

Shelly Staudenmaier pauses while cleaning out her locker.

Dian Reisner is caught off guard on her way to class.
